Miss Lockhart Tells How Her Life Was Saved.

"DEAR MRS. PINKHAM: I cannot express my gratitude to you for the good that Lydia E. Pinkham's Vegetable Compound has done for me. I have taken five bottles of the Compound and two poxes of Liver Pills and feel better in every respect. I had suffered for years with dropsy, caused by the pressure of the water. I had the worst kind of kidney trouble, fainting spells, and I could not stand long at a time. I also had female weakness and the doctor said there was a tumor in my left side. The pains I had to stand were something dreadful. A friend handed me a little book of yours, so I got your medicine and it has saved my life. I felt better now from the first bottle. The bloating and the tumors have all gone and I do not suffer any pain."-Miss N. J. Lockhart, Box 16, Elizabeth, Pa.
